The old fantasy action RPG. The noblemen and warriors of another world had their backs turned to the new age's world, so they decided to fend for themselves. When they were trapped in the Wastelands, they dropped their requests and began to wage a war for their independence. Tarnished, a gallant warrior who led an army, and his brothers Ore, a warrior with sharp intelligence, and Sloe, a tactician, fought on the battlefield. In a distant southern city, two young siblings, Ria and Dus, risked their lives to protect the Elden Ring Crack. The three of them call for help to a Mage who possesses the same magical power as their weapons. Together, Tarnished, Ore, Sloe, Ria, and Dus, set off on their journey in the Lands Between, in search of their dreams and the map to the location of the artifact of the Elden Ring. I don't know if that's because its better done or because I am a better artist than the others here. I've been working for 11 years to get it finished so I know it has to be good. I would like to join a forum here with those who created gamiesthat are good. I would like to try them out and add some more ones. Any way I will continue adding game on this site but I need to work on the others before I stop using this site. Greetings peeps, I'm sure I can get this by myself I am working on an togme rpg and I have made several new processes and such but I've had a bit of a speed issue, but I'm trying to speed up so I have more time for another thing I'm working on. I have alot of work before I can publish it but I was hoping I would be able to try it out for free. The file is hosted through a file sharing site so I can't share the file with someone but I can give you a link to it. I'll work to get permission to give permission. When I'm done I'll post the link. Sorry for being slow. I hope to get things out faster than I get them in. Vocals in place. For the next sound session I will

System Requirements:

Peripherals Additional Notes: Cannons and Bombs Each cannon and bomb explosion awards an explosive artifact, which provides a radius of effect. It can only affect nearby enemies. The explosion hits the ground as well, granting a knockdown effect to affected targets. Collecting bombs and/or shooting cannons grant more artifacts. Note that one shot from each cannon/bomb is required to complete a level; however, you can shoot the cannon/bomb repeatedly to increase the number of artifacts. Each shot of a cannon/bomb is worth only one artifact,
